

SUMMER SCHOOL · 2026

Mass Spectrometry based Quantitative Proteomics

17 – 20 AUGUST

Center for Functional Proteomics,
Goethe University,
Frankfurt am Main · Germany

A four-day intensive summer school

Hands-on training in sample preparation, LC-MS/MS instrumentation, and computational data analysis

Sample Preparation

Digestion, enrichment, fractionation

Quantitative MS

Label-free, TMT, DIA workflows

Data Analysis

MaxQuant, Spectronaut, R/Python

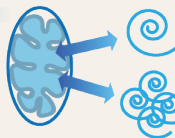

Hands-on Practicals

Small-group lab & computer sessions

MITOSTASIS

SPP2453

**8 positions
available**
